

Western Australia Driver Profile Checklist

You'll need to upload photos of:

- Your face** so passengers can identify you upon pickup.
- Your car** so we can confirm your car is the one registered and insured, and that it is in good condition.
- The front and back of your Driver's Licence** so we can check you are the insured driver.

Documents you'll need to acquire and upload a photo of:

- F or T extension on Driver's Licence** - The application form takes about 5 minutes! It costs \$108.50. The Criminal History Check aspect of obtaining an F or T extension can take a couple of weeks to process, so get this step done early.
 - Fill out this [application form](#).
 - Complete a [Criminal History Check](#). You'll need to provide [proof of identity](#).
 - Submit the application in person! Make sure you bring the filled out F or T extension application form, your National Police Certificate, proof of identity, and required fees
 - Visit your doctor and get them to fill out [this form](#). They will then submit it to the Department of Transport. Make sure you do this step **once you have submitted** all the above.
 - If your application is successful, they'll let you know in writing! This is sufficient for us - we don't need to wait on the newly printed licence.

- Omnibus Charter Vehicle Licence** - It takes a couple of minutes to complete the application, and it costs \$276.60.
 - [Apply online](#).
 - Once the Department of Transport (DoT) receives your application, they conduct a three step assessment of it. If they need further information, they will make contact with you. Once the assessment is done, you will be sent a letter by email or post to take with you to an [Authorised Inspection Station](#). You must have your vehicle inspected within 3 months from the date of the letter.

❑ **Car registration** - done in a minute!

- ❑ Check your rego [here](#) and take a screenshot. If you don't know how to screenshot, you can just take a photo of it with your phone - we're not fancy here!

❑ **Insurance** - This is a quick one too.

- ❑ Just tell your insurer you'll be driving for rideshare, and talk to them about the best option. They're the experts in this case. You will need Compulsory Third Party and Motor Injury Insurance.
